

Get Restoration Groups found first — in Google *and* in AI search.

THE PROBLEM

AI assistants now answer "near me" questions directly — and they only recommend businesses with the right content, citations, reviews, and structured data behind them. If Restoration Groups isn't built to be **read and trusted by AI**, your competitors get recommended instead, and you never even see the lead.

WHAT WE DELIVER — THE RANK AI GROWTH ENGINE

- ✓ **AI Search Optimization** — engineered to get Restoration Groups cited by name in ChatGPT, Gemini, and Claude for NJ water damage searches.
- ✓ **Optimize your existing site** — we add the JSON-LD schema, service x city pages, and on-page structure AI engines need to read and trust restorationgroups.com.
- ✓ **Brand-new conversion-built website** **OPTIONAL** — prefer a fresh start? We can build a new 250-page site covering every service across your NJ service area, included at no extra cost.
- ✓ **Complete Local SEO + Google Business Profile management** — own the Google Maps 3-pack where nearby customers search.
- ✓ **Ongoing content engine** — targeted blogs, FAQs & YouTube videos that build the topical authority AI rewards.
- ✓ **Google LSA & PPC management** — fill the pipeline now while organic + AI rankings compound.
- ✓ **24/7 AI receptionist & call tracking** — every lead answered and attributed, day or night.
- ✓ **Live analytics dashboard** — real-time geo-grid map rankings + AI-visibility tracking, so you see exactly where you stand.
